Re Kari Petrasek:

It is my distinct honor to support Kari Petrasek for the position of District 2 Governor on the Washington State Bar Association's Board of Governors. Kari Petrasek is both the most experienced and most qualified person to represent District 2. Her extensive legal career and unwavering dedication to the legal profession make her an exemplary candidate for this role.

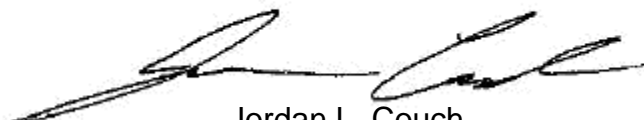

Kari has over 20 years of legal experience, having served as a Superior Court Judge and Commissioner Pro Tempore at the Snohomish County Superior Court since January 2010. She has also been the owner and attorney at Petrasek Law, PLLC, where she represents clients in various legal matters, including juvenile law, family law, elder law, and guardianship cases. Her legal expertise is complemented by her commitment to continuous education and professional development, as evidenced by her attendance at numerous judicial trainings and continuing legal education programs.

Kari's leadership roles within the WSBA and other legal organizations further demonstrate her qualifications for the position of District 2 Governor. She has held leadership positions in the WSBA Solo and Small Practice Section, the Washington Women's Lawyers Association, and the Snohomish County Bar Association. Her involvement in these organizations has provided her with a keen understanding of the issues facing the legal community and the ability to advocate effectively for her colleagues.

Kari's dedication to public service is evident through her numerous volunteer roles, including serving on the WSBA Coronavirus Response Task Force, the WSBA Small Town and Rural Council, and the Solo and Small Practice Section where I first served with her. She has also been a mentor to young lawyers and law students (including myself), demonstrating her commitment to fostering the next generation of legal professionals.

For all these reasons and more, I am honored to support Kari Petrasek to be the next District 2 Governor of the Washington State Bar Association. I look forward to continuing to serve with her.

Very truly yours,

Jordan L. Couch
At Large Governor
