

STATEMENT OF INTEREST

Over the past three years, I have served on the: Washington Women Lawyer's Executive Committee, the King County Washington Women Lawyer's Executive Committee, the Oregon State Bar Business Law Section Executive Committee, serving as Chair of the CLE Sub-Committee throughout that time. In 2024 I was invited to join the WSBA Wellness Taskforce and also the WSBA Business Law Section Executive Committee as Chair-Elect. I am eager to engage Washington businesses and entrepreneurs directly with Washington business lawyers. I aim to increase visibility of the WSBA Business Law Section to other Pacific coast Bar Associations, such as Oregon, California, and Hawaii. I hope to maximize value for Section members by engaging in direct communication, offering more in-person and remote networking opportunities, and featuring Washington attorneys more prominently to the Section with regular communication.
