Re: Application for Treasurer

To Whom it May Concern:

My name is Alexander Morrison, and I submit this statement of interest in support of my application for Treasurer of the Liquor, Cannabis, and Psychedelics section of the WSBA.

I am interested in cannabis law and this position because it sits at the intersection of rapidly evolving regulation, business innovation, and social policy. The dynamic nature of this field, particularly the tension between federal prohibition and state-level legalization, presents complex legal challenges that I am eager to engage with. I am eager to navigate this uncertain landscape while contributing to the development of clear, equitable, and sustainable legal frameworks for the industry.

Sincerely,

Alexander Morrison
