

Statement of Interest - Creditor Debtor Section Executive Committee

Position 2 - Eastern District of Washington

My name is Timothy Fischer, I am applying for Position 2, Eastern District, for the dates of 10/1/2024 to 9/30/2026. I have practiced extensively for both creditors and debtors since 2008, in both state and federal court, and am a past trustee of the Eastern District of Washington Bankruptcy Bar Association. I believe my practice area and representation of both creditors and debtors would lend a varied outlook and would assist in contributing to the Executive Committee. I would look forward to assisting the Committee, and help it achieve its goals.
