

Jody McCormick

I am Jody McCormick, a lawyer with the law firm of Paine Hamblen, P.S. in Spokane. I am interested in serving a second term as the Position 1 At-Large Creditor Debtor Section Executive Committee member for the Eastern District. I have represented creditors for nearly three decades. The Section provides a unique opportunity to work alongside both creditor and debtor lawyers. I believe strongly in the value of serving the Sections of WSBA. Sections help members better serve their clients whether it be through message boards, legislative activities, or CLEs. I would be honored to serve for two more years.
