

Mark C. Vohr - Statement of Interest – Secretary Position Year 2024-2025

I have participated in the Elder Law Section on the Executive Committee for many years, holding multiple positions. I am interested in continuing to bring historical knowledge to the operation of the Committee for the benefit of the members.

I have participated on the committee over multiple roles. First as a practicing attorney and now as a principal for Ohana Fiduciary Corporation, a Washington Chartered Trust Company and Certified Professional Guardianship Agency. I believe my participation benefits the board and the members by providing a diverse perspective, both in the role of legal counselor and as an elder law services provider.

I look forward to another year of service.

Sincerely,

/Mark Vohr/

Mark Vohr.
