

WSBA SECTIONS | 2025 YEAR IN REVIEW

Health Law

The **Health Law Section** furthers the knowledge of the members of the Section and the Washington State Bar Association (WSBA) in the areas of law involving both federal and local health care. The Section focuses on the business of health care, state and federal reform, fraud and abuse, antitrust, new modes of health care delivery, insurance issues, and many other concerns. The Section works to contribute to valuable relationships among health law practitioners and opportunities to develop health law practices.
