

Statement of Interest – Rob Flemer

International Practice Section: At-Large Executive Committee Member (10/01/2026 – 09/30/2029)

I am a labor and employment attorney with substantial international experience advising U.S. and foreign companies on cross-border employment and human resources matters, and I continue to handle international labor and employment work in my current practice. As a senior foreign attorney at my former firm in Korea, I counseled multinational employers on compliance, workplace investigations, restructurings, and labor relations, and advised Korean companies on outbound employment matters in the United States. I am interested in serving on the Executive Committee of the International Practice Section to support and expand the Section's CLE programming and other resources for Washington practitioners engaged in international work.
