Statement of Interest for Kari Petrasek

It has been my great pleasure to serve on the Juvenile Law Section Executive Committee (“EC”) for the past three years. The EC is a wonderful group of people to work with and I hope to have the opportunity to continue working with them. If reelected to the EC, I will continue to work hard on helping to implement relevant CLE’s and focus on our goals for the coming year which will further enhance member benefits for Section members as well as increase this Section’s membership.

After spending 13 years as a trial attorney in a small firm setting in Everett, I started my own solo firm in January 2015. I have extensive civil litigation experience primarily focusing on juvenile law – predominantly dependency and termination cases, but also offender and ARY/CHINS cases.

I have been involved with this Section for many years, even prior to being on the EC. I believe that by fostering relationships with newer members of the legal community and providing valuable resources to them, we can help them become the best attorney possible as they enter the legal field. I have a lot to offer this Section and would be honored to continue to serve on the Executive Committee. Thank you for your support.
