Washington State Bar Association  
Low Bono Section  
Seattle, WA

**Re: *Committee Position***

To Whom It May Concern:

I am writing to apply for the At-Large Member, volunteer position on the Low Bono Executive Committee. My family law practice is mainly located in Stevens, Pend Oreille, and Spokane Counties. I am strongly motivated to work towards expanding opportunities for rural communities, and I believe that my commitment to advancing access to justice will be a valuable addition to the section.

My current experience working with legal practitioners has given me a unique insight into how access to justice is often limited in rural areas, which makes me excited and prepared to take on any challenges that this position may present. Moreover, my strong interpersonal skills and creative problem-solving abilities make me an ideal candidate for this role.

I would love the opportunity to discuss further how my qualifications and experience can benefit your committee's mission. Thank you for your time and consideration.

Sincerely,

*Lesli Ashley*
