Bradley Medlin Candidate Statement for Labor Union Position

I have been honored to serve on the Executive Committee as a labor union counsel representative since 2016. I previously served as Chair from 2018 to 2020. In my practice, I represent Washington's working people and labor unions. I strive to bring equity and justice to our community's workers.

I also seek to serve you—the Labor and Employment Law Section members—along with our traditional labor law practitioners. During my tenure, I have worked to advance our CLE offerings for attorneys who practice primarily in labor law. This has included planning, promoting, and moderating mini-CLEs – as well as the November annual CLE.

I seek your support once again to serve another term on the Executive Committee. I am receptive to feedback and input from members on what the Labor and Employment Law Section can provide. If re-elected to the Executive Committee, I will endeavor to be responsive to your recommendations and concerns.

I humbly request your support for another term.
