Statement of Interest

I would be honored to serve as a volunteer on the WSBA Labor and Employment Executive Committee. I have represented labor unions for the last twelve years and feel confident my knowledge and experience in labor union representation will be an asset to this volunteer position. I previously served on the Executive Committee from 2015 to 2018. In that role, I assisted in planning the Labor & Employment Annual CLE and interviewed law student candidates for the Labor and Employment law internship program. This experience provided me with valuable insight into how the Committee operates, its priorities, and the logistics and planning involved in hosting the Annual CLE. I also presented as a union representative panelist at the 2024 and 2025 Annual CLE and understand the level of responsibility required for planning, organizing, and executing this large-scale CLE. I am passionate about the work I do as a union representative and am eager to bring that passion and perspective to the Executive Committee again. I appreciate your consideration and vote.
