WSBA Litigation Section  
Executive Committee

RE: Statement of Interest  
At-Large Member (10/1/2025-9/30/2028)

I have been serving as an at-large member of the Executive Committee since approximately June of 2023, and I would like to continue working with the Committee in that role. I have enjoyed contributing to the monthly meetings, the Section Newsletter, and the Section Scholarship program. I look forward to being able to continue to contribute to the Section's efforts in the future.

Very truly yours,

MICHAEL J. BRANDENBERG
