

Darcel Lobo

Letter of Interest

My name is Darcel Lobo and I am seeking to serve an at-large position to the WSBA Solo and Small Practice Section. I've been a solo attorney for over 10 years, and since 2022 I have also served as a coach to help attorneys build better law firms and better lives.

I opened DAL Law Firm in 2016, and since doing so, I have become dedicated to helping other attorneys seek fulfilling careers in a way that supports how they want to live their lives. This is what brought me to start coaching lawyers as well. I want to serve an at-large position because I know that I can help in furthering the mission of the WSBA Solo and Small Practice Section; to help solo and small firm attorneys run better practices and grow their firms in a sustainable manner.

I currently serve as the Immediate Past Chair of this section; I served as Chair from 2023-2025, and in total I have served on this committee for eight years. I'm very proud to see the growth of our membership and the continued delivery of valuable resources to our members. I've helped with planning our events, networking programs, free CLEs for our members, as well as our annual conference.

Since opening my own law firm in 2016, I have been a mentor for many attorneys who have been navigating the journey of law firm ownership and I believe that serving on this committee is a way for me to continue the work to support our solo and small firm lawyers.

Thank you in advance for your consideration.

Sincerely,

/s/ Darcel Lobo
