

NOTES
World Peace Through Law Board Meeting
January 30, 2018

Attendees: Randy, Mickey, Chalia, Korrinna, Elie, Regina

Agenda Items

Sponsorship: CLE organized by Regina Palouse

The board voted to appropriate \$500 to co-sponsor an upcoming CLE titled *Mass Atrocities and Human Rights: Legal Challenges and Responses*. The CLE will be held at Seattle University Law School on June 20-22, 2018. WPTL members will be able to attend for a reduced rate due to our sponsorship.

Ideas for future WPTL CLEs

We began brainstorming options for CLEs this year. The following topics will be pursued by the board members as listed. We would look for co-sponsors with other WSBA sections as appropriate. We will check in on each topic next meeting.

- Plight of the Rohingya in Burma (Elie, Regina)
- Litigation and activism update around the Dakota Access Pipeline (Mickey)
- Gender issues in international law (Regina)

Posting past CLE materials online as a resource

We discussed to create an online library of resources from past WPTL CLEs on our website. This is certainly possible, although there is a question whether the materials should be freely accessible or password protected as WPTL member benefit. One idea presented was to password protect recent materials but make older materials freely available. We will take this up again next meeting.

Funds to co-sponsor future WSBA Open Sections Nights

Given the success of WSBA's Open Section Night and the visibility it creates for our section, the board voted to appropriate \$200 to be a co-sponsor for future Open Section Nights (\$50 per event).
