## ORDER

NO. 25700-A-1304

The Washington State Supreme Court considered the request by the Limited License Legal Technician (LLLT) Board to waive the requirement in APR 28, Regulation 3(B)(1)(a) that a candidate for the license complete all the core courses prior to enrollment in the domestic relations practice area courses. Because of the impact of COVID-19 on the colleges and the pending deadline for completion of the LLLT requirements, some students may not be able to complete the core coursework by September, 2020, which is when the last series of domestic relations practice area courses begins. Waiver of that requirement in the rule would assist eligible candidates in timely completing all education requirements.

Now, therefore, it is hereby

ORDERED:

That the provision in APR 28, Regulation (B)(1)(a), which requires that core courses be completed prior to enrolling in the domestic relations practice area courses, is hereby suspended.

DATED at Olympia, Washington this 6<sup>th</sup> day of August, 2020.
