

**Washington State Bar Association LLLT and LPO Exam Security Policy – Effective March 1, 2018**

This LLLT and LPO Exam Security Policy is designed for the consideration of all applicants, to prevent cheating and to protect the integrity and security of the exam itself. The permissions and restrictions apply to the actual exam room. There is a non-secure area at the exam site outside the exam room for applicants to stow personal belongings. However, applicants leave items at their own risk; the WSBA and the testing facility are not responsible for the loss or theft of any items. Applicants cannot access personal belongings during the exam unless accompanied by and in the presence of a proctor or staff member. **Please plan accordingly.**

If you have prohibited items in the exam room or engage in prohibited behavior, you may be required to leave the exam without finishing, the items may be confiscated and placed in the non-secure area, and you may be required to have a character & fitness hearing if you reapply.

Only the permitted items listed below will be allowed in the exam room. **Any item not on the permitted items list is strictly prohibited.** You may make a special request for non-permissible items up to 18 days before the exam. All requests must be supported (if applicable) by a doctor's note. Examples of such items are: pillows/lumbar supports, ergonomic chairs, book stand, wrist rest, medication, external keyboard or mouse, and religious headgear. Note: New mother's nursing room is provided onsite.

Applicants may use a clear quart-size Ziploc plastic bag for smaller permitted items. Applicants cannot carry any items in their pockets.
